EXPERIENCE

Nymbus (nymbus.pro) — San Diego, CA
AI job search platform helping students and transitioning service members organize and improve their applications
Founder and Product Builder — 2026 – Present

- Identified the problem (job seekers losing track of applications and getting ghosted), then scoped, built, and launched a web app on the Claude API, reaching 503 unique users across 769 sessions with 8 min 43 sec average engagement
- Shipped a Kanban tracker, ATS score checker, AI resume and cover letter tools, browser extension, and follow-up reminders based on user feedback
- Fixed AI output quality issues (blank fields, inconsistent scores, vague answers) by restructuring and consolidating system prompts across AI modes
- Ran go-to-market with a Product Hunt launch, a LinkedIn content calendar, and a published article synthesizing 10 research sources on job seeker ghosting
- Narrowed the target market after growth stalled, repositioning for transitioning service members with a .mil-verified Veterans page and a roadmap built around gaps in the military's Transition Assistance Program

Intertwine Fitness — San Diego, CA
Premium personal training business serving busy professionals and former athletes
Marketing Lead and Web Developer (Freelance) — 2026 – Present

- Built and deployed intertwinefitness.com and set up Google Analytics 4 with 7 conversion events linked to Google Ads
- Found that a 1.52% click-through-rate ad campaign produced zero clients while 100% of clients came from Instagram
- Designed a mixed-methods research plan with 4 testable hypotheses and customer surveys in Qualtrics and Google Forms

Handshake — Remote
Contract AI Trainer — April 2026 – Present

- Write prompts and evaluate LLM responses for accuracy, reasoning, and quality, with structured feedback that improves model performance

Aspire Skills Development — San Diego, CA
Professional Development Intern — September 2024 – Present

- Founded Cycle Care, a sustainability initiative running clothing drives and upcycling workshops at SDCC and UCLA
- Partnered with faculty and the Basic Needs Center to redistribute clothing to students, tracking participation to improve turnout

United States Navy — San Diego, CA
Sonar Technician, Submarines — July 2019 – March 2023

- Graduated second in class from Sonar Technician school with a 98.6 GPA
- Led and trained 15+ sailors and coordinated 500+ time-sensitive supply transfers and 100 personnel movements across 40+ inspections
- Stood Operations Control watch at Naval Base Point Loma with Submarine Squadron Eleven
